Re: No. Nv. Chapter Historian Report

Hi Everyone,

Northern Nevada Chapter held its fourth Chapter meeting for 2018-19 on January 17th at Twisted Fork restaurant for a dinner event. President Diane Mitchell welcomed and introduced everyone.

Our Region X Student Activities RVC, Buzz Wright, spoke of SA in Northern Nevada and requested a Student Advisor join the SA students we have at UNR. Buzz welcomed a first time visit from Haley Webbart, Sophomore ME Student at UNR.

A presentation on **"Improving CO₂ Demand Control Ventilation using Air Flow Measurement"** by **David Dougan, President - Ebtron**. Discussed issues related to ASHRAE Standard 62.1-2007 using a count of people in a space to comply with CO₂ levels requirements (~1100 ppm) using DCV. Everyone enjoyed the discussion and Q&A period.

Best regards,
