Re: No. Nv. Chapter Historian Report

Hi Everyone,

Northern Nevada Chapter held its third Chapter meeting for 2018-19 on November 15th at Twisted Fork restaurant for a dinner event. President Diane Mitchell welcomed and introduced everyone.

A presentation on "Evolution of the Uniform Mechanical Code, 2012 to 2018" by Mr. Rick Kabele of Building Safety Associates, LLC. A nice summary of the many recent changes in design requirements.

Also, a review of the recent plans of the Government Activities Committee by Dave Wylie, Chair, which has a group planning a draft letter to be sent to the Legislative members of the 80th Session of the Legislature.

Finally, a thank you presentation of last years RP donations and a call for donations to meet the 2018-19 goal by Sandor Duran, Chair.

Everyone enjoyed the discussion and Q&A period.

Best regards,
